Perth – Contaminated Site Assessment & Remediation Consultant

Senversa Pty Ltd is an Australian employee owned specialist environmental consulting firm with a strong sense of purpose and employee focus. We pride ourselves on being a progressive workplace that employs industry leading professionals. Our team is committed to delivering a high quality environmental service to our clients. Due to sustained and strategic growth, we currently have the opportunity for a highly motivated environmental consultant to join our Perth CBD based team. The role will primarily involve the completion of assessment and remediation works and associated reporting. The rare opportunity to also provide audit support to Senversa's three WA Auditors exists for the right applicant.

Key responsibilities of this role include:

- Completion of fieldwork programs and corresponding project management.
- Data management and preparation of reports.

This role is suitable for candidates possessing the following:

- Bachelor Degree or higher in Environmental Engineering, Environmental Science or equivalent relevant degrees.
- Ideally between 1 and 5 years proven experience in environmental consulting specialising in contaminated land projects and field works.
- Strong written, reporting and verbal communication skills.
- Compliance with health, safety and environment policies, standards and procedures.
- Demonstrated experience performing preliminary and detailed site investigations, sampling techniques (e.g. soil, vapour and groundwater), contractor supervision and a broader working knowledge of the NEPM 1999 (2013 amendment) is essential.

Applicants should also possess the following:

- Demonstrated ability to develop and maintain strong working relationships with peers and clients.
- Demonstrated continuous professional development
- A current driver's licence.

The Senversa team prides itself on technical excellence and our senior staff are committed to coaching and mentoring staff in a dynamic, friendly, positive, respectful and constructive professional environment. If you are poised to take the next step in your career, please email your CV to careers@senversa.com.au with a covering letter outlining your experience and career goals.
