Sydney – Contaminated Site Assessment & Remediation – Site Audit Assistant

Senversa Pty Ltd is an Australian, employee owned environmental consulting firm. Senversa is committed to providing a dynamic and fulfilling work place for the best contaminated site consultants around. We have great clients, projects and interesting challenges, and at the same time we have a good culture and benefits. This helps us deliver high quality environmental advice to our clients and a stimulating workplace for our people. Senversa's national Audit team includes eleven Auditors accredited in NSW, VIC, QLD, WA, SA and NT.

We currently have an opportunity for a highly motivated environmental consultant to join our expanding Sydney CBD based team either full-time or part-time. The role will primarily involve providing assistance to our team of three well respected and experienced NSW EPA accredited Site Auditors, Melissa Porter, Jason Clay and Graeme Miller. This is an ideal opportunity for someone that would like to develop their skills in contaminated land. Our Audit team is equally balanced by a strong investigation and remediation team and there could be opportunities to apply your skills in that area.

Key responsibilities of this role include:

- Undertaking comprehensive reviews of consultant reports.
- Assistance in the preparation of interim audit advice, site audit statements and site audit reports.
- Project management.
- Contributing to a healthy and collegiate culture.

This role is suitable for candidates possessing the following:

- Strong communication skills, written and verbal.
- A minimum of 5 years proven experience in environmental consulting specialising in contaminated land projects and field works.
- High level of familiarity with preliminary and detailed investigations, sampling techniques (e.g. soil, vapour and groundwater) and a detailed understanding of relevant regulatory guidelines.
- Bachelor Degree or higher in Environmental Engineering, Environmental Science or equivalent relevant degrees

Applicants should also possess the following:

- Demonstrated ability to develop and maintain strong working relationships with peers and clients.
- A current driver's licence.

The Senversa team prides itself on technical excellence and our senior staff are committed to coaching and mentoring staff in a dynamic, friendly, positive, respectful and constructive professional environment.

Please email your CV to careers@senversa.com.au with a covering letter outlining your experience and career goals.
