## Adelaide – Contaminated Site Assessment and Remediation Consultant (10+ years)

Senversa Pty Ltd is an Australian employee owned environmental consulting firm. Our team is committed to delivering high quality environmental advice to our clients and we provide a supportive environment for our staff. Due to growth, we are now seeking to add a high calibre experienced environmental practitioner with 10+ years experience, who also team management experience and / or external industry qualifications (e.g. CEnvP).

This role is suitable for industry leading candidates that possess the following skills:

- Degree qualified in environmental or earth sciences or environmental engineering, or related disciplines.
- External industry accreditation (e.g. CEnvP), or currently in the process of obtaining accreditation.
- Relevant experience leading / managing teams and nurturing the growth and development of junior staff.
- Extensive experience in contaminated land and remediation assessment works, including the development of conceptual site models.
- Technical specialty skills in one or more of the following areas: human health and/or ecological risk assessment, in-situ groundwater remediation, management of asbestos in soils, complex hydrogeological assessment, waste / landfill management and/or audit support.
- Strong understanding of National Environment Protection Measure and other legislation.
- High level project management skills.
- Strong business development and client relationship skills.
- Strong connections with South Australian market and associated contaminated land sector.
- Strong written and verbal communication skills.
- Compliance with health, safety and environment policies, standards and procedures.

Applicants should also possess a current driver's licence.

The Senversa team prides itself on technical excellence and our senior staff are committed to coaching and mentoring staff in a dynamic, friendly, positive, respectful and constructive professional environment. If you are poised to take the next step in your career, please email your CV to [careers@senversa.com.au](mailto:careers@senversa.com.au) with a covering letter outlining your experience and career goals.
